O God of Stars and Sunlight

SLT #11

Holmes / Mendelssohn

1.O God of stars and sun - light, whose wing lifts up a bird, in march-ing wave and
2.O God of cloud and moun-tain, whose rain on rock is art, thy plan and care and
3.O God of root and shad - ing of boughs a-bove our head, we breathe in they long

leaf - fall we hear thy pa-tient word. The col - or of thy sea-sons goes gold a - cross the land; by
mean-ing re - new the head and heart. Thy word and col - or spo-ken, thy sum-mernoon sand showers, by
breath-ing our spir - it spir - it - ed. We walk be-neath thy bless-ing, thy sea-sons, and thy way, O

green up - on the tree - tops we know thy mov - ing hand.
these and by thy day - shing, we know thy world is ours.
God of stars and sun - light, O God of night and day.
