The Web of Life

29 (alt.)

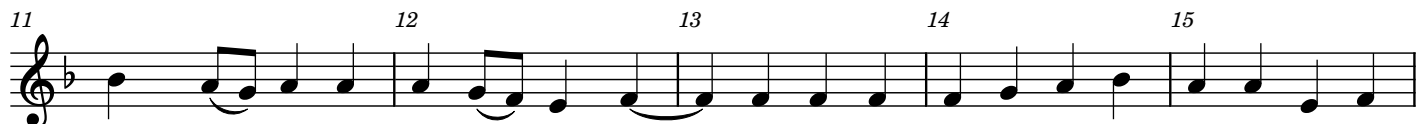

Music: Ludwig van Beethoven, 1770-1827
Words: Bruce Callander (UUA, created 2015)

1. Sing in joy and glad-ness now and e-ver-more to Na-ture's song, o-pen up our
2. All the sky is bright and glo-rious, all the Earth is filled with light, when we see the
3. Sing of seas and sing of moun-tains! Sing of for-rests and of plains! All the U-ni-

heart's de-sire with love that lasts our whole life long. May the know-ledge of our kin-ship
sun be-fore us ri-sing to dis-pell thenight. All the fears that once be-set us
-verse be-fore us spark-les with the fall-ing rains. Bar-ren de-serts, liv-ing o-ceans,

spread through out the Un-ni-verse, help ing us to live our lives in har-mo-ny with
fade be-fore the ri-sing dawn. New found joy comes now to let us join a-new Cre-
tee-ming ci-ties coun-try side joined with us in joy-ful sing-ing. Ce-leb-rate the

all the Earth.
